

EXPRESSION OF INTEREST (EOI) FOR INSTALLATION OF CCTV CAMERAS AND BLINKER LIGHTS IN KSRTC DEPOTS

Introduction

Kerala State Road Transport Corporation (KSRTC) invites Expression of Interest (EOI) from reputed and experienced firms/companies for the supply, installation, testing, commissioning, and maintenance of 6 IP-based CCTV cameras and associated blinker lights in all KSRTC depots across Kerala. The bidder must also provide centralized access to the CCTV system at KSRTC's Chief Office. In return, KSRTC will provide advertising space on the blinker poles.

Scope of Work

1. CCTV Installation:

- Supply, installation, testing, commissioning, and maintenance of 6 IP-based CCTV cameras in each KSRTC depot.
- Cameras must cover critical areas such as entry/exit points, ticket counters, parking areas, and passenger waiting zones.
- Cameras should meet the following specifications:
 - High-definition video resolution (minimum 4 MP).
 - Night vision capability.
 - Weatherproof (IP67-rated) and vandal-resistant (IK10-rated).
 - Remote monitoring capability via mobile devices and desktop.

2. Blinker Lights:

- Installation of blinker lights integrated with poles at strategic locations within depots.
- Poles must include an 8 ft x 4 ft advertisement placeholder, which will be leased to the bidder for advertisement purposes.

3. Centralized Monitoring:

- Provide a centralized monitoring system accessible from KSRTC's Chief Office.
- Ensure data storage for a minimum of 30 days with backup facilities.

4. Electricity and Internet Charges:

- The bidder shall bear all electricity and internet charges required for operating the CCTV system for a period of 10 years.

5. Maintenance:

- Comprehensive maintenance of all installed systems during the contract period.
- Immediate resolution of technical issues within 48 hours.

6. Site Survey

All bidders are advised to visit the work sites before submitting their offers to understand the work conditions at each KSRTC depot.

Pre-Qualification Criteria

The bidder should meet the following pre-qualification criteria:

1. The vendor shall provide a valid Permanent Income Tax Account Number (PAN) and GST Registration Certificate (duly attested photocopy to be attached).
2. The company must be well-established in Security Surveillance Systems with a valid agreement establishing their business.
3. The vendor should have provided CCTV systems to at least three reputed Institutions or similar organizations
4. Letters of reference from past customers with contact details should be provided to demonstrate past performance in executing projects of comparable nature and complexity.
5. The company should have sufficient technical expertise and requisite infrastructure to develop/install CCTV and other security systems.
6. The average annual financial turnover from similar business activities should be at least ₹10 lakhs during the last three financial years. Supporting documents such as P&L accounts, balance sheets certified by a Chartered Accountant, and ITRs must be submitted.

7. The vendor should not have been blacklisted by any government department or involved in any criminal proceedings against its owners/partners anywhere in India. A certificate as per Appendix-C is required.
8. All hardware proposed must meet the minimum specifications listed in **Appendix-A**.

Termination of Contract

KSRTC reserves the right to terminate this contract partially or fully under any of the following circumstances:

1. If the vendor is declared bankrupt or becomes insolvent.
2. If there is a delay in project delivery or implementation beyond the stipulated time due to reasons not attributable to Force Majeure.
3. As per decisions made by an Arbitration Tribunal regarding disputes under this contract.
4. If the vendor fails to provide services even after three written reminders from KSRTC.
5. If the vendor supplies items that do not meet approved specifications or quality standards or attempts to deliver substitute/substandard items without prior approval.
6. If illegal means are used by the contractor to influence or bribe staff dealing with this contract.

The above-mentioned termination clauses are binding upon both parties, and acceptance of these terms is mandatory for participation in this EOI process.

Key Terms & Conditions

1. The contract period will be for 10 years, extendable based on performance.
2. Installation must be completed within 120 days from the date of award of the contract.

3. Advertising rights on blinker poles will remain with the bidder during the contract period.
4. All hardware/software provided will become KSRTC's property after the contract period ends.

Submission Details

1. Interested bidders shall submit their proposals in sealed envelopes
2. Envelopes should be placed in a larger envelope superscribed as:
"EXPRESSION OF INTEREST (EOI) FOR INSTALLATION OF CCTV CAMERAS AND BLINKER LIGHTS IN KSRTC DEPOTS UNDER PPP MODEL."
3. The proposal must reach KSRTC's Chief Office by February 1, 2025, 5:00 PM IST.

Evaluation Process

1. Proposals will be evaluated based on technical compliance. If Needed KSRTC will direct the bidder to do the POC for evaluating the proposal. After evaluation the POC final AOC will be issued

Contact Information

For queries or clarifications regarding this EOI, please contact:

The Managing Director
Kerala State Road Transport Corporation
Chief Office, Thiruvananthapuram

This EOI provides an opportunity for firms to collaborate with KSRTC in enhancing depot security while benefiting from advertising opportunities across Kerala's public transport network.

Appendix-A.

Details regarding Traffic Blinker signal light and CC TV Camera		
SL.N O.	Devices	Specification
1	Blinker signal pole	GA pipe 6 inch 5 meter height
2	Power supply	230 V AC
3	Light	Blinker light LED 24 Dc
4	Blinker light colour	Red
5	LED spec	24 V DC 500 meter (highest bright LED)
6	Housing material	Poly carbonate (water proof)
7	Operating mode	Flashing
8	Transformer	24 W 5 amp 230 V
9	Controlling system	IC circuit solid state relay (output device)
10	Camera	4 Mp IP camera
11	Hard disc	1 TB
12	NVR	8 Channel NVR
13	Port poe	6 poe
14	LED monitor display	24 inch
